

Introduction to Xenos Home Groups
Xenos Summer Institute
July 9-11, 2014

What is a Home Group? Small spiritual community of about 15 up to 60 adults/college/high school students that come together in homes to share the life of Christ.

Mission of a Home Group: To provide a structure for members to do evangelism and discipleship in the context of community.

Biblical basis for Home Groups:

- Biblical examples and Biblical principles.

- See: Dennis McCallum, "Eleven reasons why Home Group Fellowship Groups Usually Fail"

- Quote from Dennis McCallum, Members of One Another: How to Build a biblical ethos into your church, pg. 7&8
- True community is costly but well worth the benefits

Home Church Meeting format

1. 15-50 Christian and Non-Christian men & women meet in a member's *home*.
2. 1/2 hour hang out
3. Formal meeting lasts about one hour: open in prayer, about 45 minute led Bible led discussion/teaching, close in prayer.
4. Informal fellowship: Refreshments/food. Opportunity to practice the "one another's"; meet new

How does Home Group facilitate Evangelism?

- Come and see:

John 13:34&35: "A new commandment I give to you, that as you love one another, even as I have loved you, that you also love one another. By that all men will know that you are my disciples, if you have love for one another."

John 17:21, 23: "that they may all be one; even as You Father, are in Me and I in You, that they also may be in Us, so that the world may believe that You sent Me.....I in them and You in Me, that they may be perfected in unity, so that the world may know that You sent Me, and loved them, even as You have loved Me."

"As Christians we must not minimize the need to give honest answers to honest questions. We should have an intellectual apologetic (a defense of our faith)...Yet, without true Christians loving one another, Christ says the world cannot be

expected to listen, *even when we give proper answers*. Let us be careful indeed...to give honest answers. For years the ...church has done this very poorly...But after we have done our best to communicate (these answers), still we must never to forget that the final apologetic which Jesus gives is the observable love of true Christians for true Christians.” Gary Delashmuth, *Loving God’s Way*, (Grand Rapids: Kregel Publications, 1996), pg. 18 citing Francis A. Schaeffer, *The Church at the End of the 20th Century* (Downers Grove: InterVarsity Press, 1972), pp. 139-140.

 - Same gender
 - Read/study Bible or Spiritual books
 - Pray
 - Could be couples
- Excellent Context for Discipleship

The HG is a community.
