Christian Growth 2015

THIS IS A 10-WEEK CLASS WITH A FINAL EXAM ON THE 11TH WEEK

Please direct grading policy questions to Kim Phillips (PhillipsK@xenos.org).

Successful Completion

1. **ATTENDANCE:** Please attend 8 out of 10 classes (speak with the instructor if you must miss more). Please check in with the TA each week.
2. **ASSIGNMENTS:** The TA will collect this weekly for the teacher to review. Each assignment will be worth 2 points.
3. **QUIZZES:** Three quizzes, each worth 3 points, will be part of your final grade.
4. **EXAM:** Score at least 70% on the final. A make-up exam is available if you need to re-take it to improve your score. Worth a total of 73 points.

To pass the class, you must accumulate at least 70 total points from your homework, quizzes and final

Assignments

Please hand these in weekly. Record your answers to two questions:

1. What struck you about this reading?
2. Why do you think it struck you?

Quizzes

Quizzes will be given before the 3rd, 6th, and 9th lectures. Each quiz will ask three questions, and they cover memory verses from the first week of class through the previous week's material. Please take the quiz on the specified date and time unless you have made prior arrangements with your instructor.

* next to the verse means you should memorize the book and chapter reference, and a *very close quote*, and understand its application.

** memorize the book and chapter reference, and the *general content of the verse*, and understand its application.

The questions are asked in a manner that requires understanding the application.

EXAMPLE: A Christian friend says, "We are saved by grace, but we grow by our own effort." You reply on the quiz with Col. 2:6 and the quote.

Exam

The exam will cover the memory verses and material included in the Exam Review Guide.

If you have an emergency (e.g. sickness; unscheduled business trip), please arrange with your instructor to take the exam at the Study Center as soon as possible.

You will be notified of your exam grade by mail. If you score under 70%, please take a make-up exam at the Study Center within two weeks of receiving this notice.
